RE: *Connect America Fund*, WC Docket No. 10-90

Dear Ms. Dortch:

The first phase of the Commission's USF Reform Order (FCC 16-33, released March 30, 2016) is to allow companies that may elect to take Model-Based support to file challenges about competitive overlap identified by the FCC. The FCC obtained their information from the June 30, 2015 FCC Form 477 filings. These challenges along with the appropriate documentation must be filed by April 28, 2016.

This challenge is submitted on behalf of Wood County Telephone Company, SAC 330974. The competitors identified in the A-CAM model are cable TV providers: CCI Systems, Inc. dba Packerland Broadband, and Charter Communications. The impacted census blocks, reasons for challenge and supporting evidence have been included with this filing.

Pursuant to Section 1.1206 of the Commission's rules, a copy of this letter is being filed via ECFS.

Thank you for your attention to this correspondence.

Sincerely,
/s/ Justin Huebner
